LEGISLATIVE PROGRAM

(Mr. ARMEY asked and was given permission to address the House for 1 minute.)

Mr. ARMEY. Mr. Speaker, as the body knows, the committee funding expires on March 31 during a period of time in which Congress is in recess. That being the case, it is necessary that we resolve this issue of committee funding before we leave.

Mr. Speaker, what I would like to suggest that the House do is every Member, of course, understanding that we are weighing the importance of completing this work against the natural, in many cases urgent, desire of Members to catch trains and airplanes, that we might ask that the House recess for 15 minutes during which time I can inquire to the minority as to the possibility of working out a unanimous-consent request that would allow us to complete our evening's work tonight, and if so, we would be able to come back in 15 minutes, make an announcement, and proceed, or if necessary we would have to make an announcement about a session tomorrow.

RECESS

The SPEAKER pro tempore (Mr. LATOURETTE). Pursuant to clause 12 of rule I, the Chair declares the House in recess subject to the call of the Chair.

Accordingly (at 6 o'clock and 28 minutes p.m.), the House stood in recess subject to the call of the Chair.

DEPARTMENT OF DEFENSE

EXTRAORDINARY CONTRACTUAL ACTIONS TO FACILITATE THE NATIONAL DEFENSE (Public Law 85-804) Calendar Year 1996

FOREWORD

On October 7, 1992, the Deputy Secretary of Defense (/DepSecDef) determined that the national defense will be facilitated by the elimination of the requirement in existing Department of Defense (DoD) contracts for the reporting and recoupment of non-recurring costs in connection with the sales of military equipment. In accordance with that decision and pursuant to the authority of Public Law 85-804, the DepSecDef directed that DoD contracts heretofore entered into be amended or modified to remove these requirements with respect to sales on or after October 7, 1992, except as expressly required by statute.

In accordance with the DepSecDef's decision, on October 9, 1992, the Under Secretary of Defense for Acquisition and Technology directed the Assistant Secretaries of the Army, Navy, and Air Force, and the Directors of the Defense Agencies, to modify or amend contracts that contain a clause that requires the reporting or recoupment of non-recurring costs in connection with sales of defense articles or technology, through the addition of the following clause:

The requirement of a clause in this contract for the contractor to report and to pay a nonrecurring cost recoupment charge in connection with a sale of defense articles or technology is deleted with respect to sales or binding agreements to sell that are executed on or after October 7, 1992, except for those sales for which an Act of Congress (see section 21(e) of the Arms Export Control Act) requires the recoupment of nonrecurring costs.

This report reflects no costs with respect to the reporting or recoupment of non-recurring costs in connection with sales of defense articles or technology, as none have been identified for calendar year 1996.
